

2019 MEET THE BUYER

Meet the Buyer is an event that connects businesses with government agencies and prime contractors. This event will give small businesses access to buyers from across the federal, state and local government sector. These agencies will meet with the aspiring vendors. Major prime contractors will be in attendance seeking capable subcontractors to help them meet their requirements. Also in attendance at this event will be our resource partners: the Michigan Small Business Development Center (SBDC), Macomb County Planning and Economic Development Department and the Small Business Administration (SBA).

Seller's benefits include opportunity to diversify your sales, pitch your product and services to decision makers, network with other small or large businesses and help keep business local to the Michigan economy. **This event is not for startups.** Macomb Regional PTAC recommends that businesses have two years of commercial business sales before entering into the government contracting realm.

The benefits to Buyers include an efficient and cost-effective way to meet and identify new suppliers and keep business local to the Michigan economy.

The Macomb Regional PTAC, which serves as a Procurement Technical Assistance Center (PTAC), is funded in part through a cooperative agreement from the Department of Defense (DoD) through a program that is administered by the Defense Logistics Agency (DLA). The content of any written materials or verbal communications of the PTAC does not necessarily reflect the official views of or imply endorsement by the DoD or DLA.

Additionally, the Macomb Regional PTAC is proudly assisted by the Michigan Economic Development Corporation (MEDC).
